Minutes

Internationalization Info.

Upcoming Events

1. The meeting convened at 9am. Provost Madonne Miner, sitting in for President Norm Tarbox, acknowledged new attendees and introductions ensued. Jackie Shafer took over as chair of the Staff Advisory Committee, replacing Lonnie Lujan. Aaron Ashley, cognitive psychology professor, sat in for Faculty Senate Chair Doris Geid Stevenson. Sherri Cox, new administrative specialist for the President's Office, sat in on the meeting.
2. President's Council members approved minutes for the June 27, 2018, meeting.
3. Miner shared an update on internationalization data gathered by external consultants to the university. The consultants provided data and analysis on WSU's LEAP (Learning English for Academic Purposes) Program, as well as other programs associated with international students.

Miner indicated that in light of the report issued by the consultants, a task force would be formed to evaluate the feasibility of proposals. The President's Council also discussed trends concerning international students and to what extent LEAP could be used by students other than international students.
4. The President's Council discussed various upcoming events, with Shane Farver, chief of staff for the President's Office, indicating that he would update

Other

- the events calendar for President's Council.
5. The President's Council also discussed additional events, an Black Scholars United anniversary, and a recently passed Board of Regents policy on legislative communication.

Meeting Adjourned

With no further action required, the meeting was adjourned.
