2. Once you are in LinkedIn Learning, select the link on the left side of the bar at the top of the page.

3. Select from the bar on the left of that drop-down window.

4. Select the white button.

5. Select the top link . This first video is about 5 minutes long. Move through the videos to complete the learning path to proficiency.

NOTE: The recommended practice for learning how to use Adobe programs is for you to open the program you are trying to learn and follow along with your own mouse, doing the actions you are learning about as the tutorial is running in a separate window.
