Exercise and Sport Science Program Review
Dean's Response**

Appreciation is given for all of the work that has gone into this program review. Thanks to the Health Promotion faculty for putting the Self-Study document together, the review team for reviewing the printed materials, for taking the time to meet with faculty, staff and students on campus, and for summarizing their findings for the program faculty. The feedback given by the review team members will be very helpful as the Health Promotion faculty continue their ongoing efforts towards program renewal and enhancement.
