1. <u>College of Science Interdisciplinary Area</u> – New Interdisciplinary Area - Andrea Easter-Pilcher

This is very similar to the recently approved SBS Interdepartmental Area. It is a department to house the interdisciplinary programs.

- <u>Physician Assistant Medicine</u> New Department Sandy Stennett Approvals have been received from NWCCU and curriculum has been approved by all levels at WSU and an appointment is being made with the accreditors for a site visit. This is the step to make the program a department within the college of health professions.
- 3. Department of Physics & Astronomy Namel@aa/age tl Pheyact/s(he)-acf8(n))T6.9612(emet)60r20(ho)5 (r5)(ho)a6.a
