RSPG is requesting a new charge for next year regarding funding for adjunct proposals of \$4000 for the spring semester. This year they are going to give \$2000 in fall and spring. With firm statistics from this they would like to advocate for the additional \$4000.

7) CRAO (Info Item) – Amy Buckway, Chair

a) [Change Curriculum Committee](#) acronym from CC to UCC

The University Curriculum Committee requested this change to the bylaws. The item was read at this meeting and will be voted on in March.

MOTION: To make change next month by John Sohl

SECOND: Rob Reynolds

b) [Adjunct Vote](#)

The WSUfaculty/senator ratio is lower than many other universities, as a result CRAO recommends that no changes be made to the number of senators. They also recommend that no adjustments be made to the current functions of adjunct senators until input can be gathered and analyzed after the end of this academic year.

8) SBBFP – (Info Items)

a) [Salary Inversion](#) - Spencer Hilton

The number of inversions are down each of the last three years which seems to show that the yearly sharing of the information with the deans is working. The new salary inversion information will be shared with the deans.

b) [CUPA](#) - Rick Ford

Ogden cost of living has gone up in the last decade or so, it is now showing 100% compared to the national average. In 1996-1997 equitable salary was at .9428%. SBBFP proposes that the .9428% be eliminated for CUPA comparisons and WSU be compared to 100% of CUPA. It should be noted that in this CUPA analysis this year's salaries are being compared against last year's CUPA so the results are already skewed down.

MOTION: To make the equitable CUPA 100% instead of .9428% Josh Winegar

SECOND: Marjukka Ollilainen

OUTCOME: Unanimous Approval
