Vote to sunset Zoom at the end of April.

EAST faculty have encountered policies from FM about getting locks and keys. Eric Gibbons (EAST) related questions from EAST about where FM policies could be found and who is responsible for them.

Aaron Ashley (SBS) asked for help for ASSA: ASSA asks all Faculty Senate committees to take a look at Appendix A to determine if there are policies that need to be in the purview of each committee or others that may not be relevant. Executive Committee liaisons will take Appendix A back to the committees to review and update, if necessary.
