Vice-Chair Position in the Teaching and Learning Committee

Each spring semester the Faculty Senate Executive Committee will appoint both a Chair and Vice-Chair of the Teaching and Learning (TLC) Committee unless TLC committee membership requests a different leadership structure. If either the Chair or the Vice-Chair ceases to be a member of the Teaching and Learning Committee, the Faculty Senate Executive Committee will promptly appoint a successor. The Vice-Chair will shadow and assist the Chair, in order to prepare to serve as a future TLC Chair, and maintain continuity.
