Davis Technical College	Weber State		
Course	Name	Hours/ Credit	Requirements

*The Weber State AAS in Construction Apprenticeship is designed to bridge the gap between technical education and construction management. This degree will help apprentices and journeymen enter the management side of their trade. This can also reduce the time required to become a master through educational experience.*

- *Program Prerequisite: Journeyman's License, Certificate of Completion from the Office of Apprenticeship (OA), or Certificate of Completion from the post-secondary institution offering an OA certified program.*
- *Grade Requirements: The student must earn an overall GPA of 2.00 (C) or better in all courses and must also earn a "C" or better in each of the core and elective courses (a grade of "C-" is not acceptable).*
- *Credit Hour Requirements: Students must complete a minimum total of 63 credit hours, which includes a minimum of 20 credit hours of WSU residency (WSU courses), and exactly 40 transfer credit hours granted for having completed a certified Office of Apprenticeship program.*

*Advisement:*

*All Construction Apprenticeship students are required to meet with an academic advisor in the WSU College of Engineering, Applied Science & Technology (EAST) to establish a program contract plan, before entering the program.*

*Admission Requirements:*
