SI Program Review – Action Plan

Recommendations Already in Place

	Recommendation	Action Plan	Timeline
1	Establish an orientation program for professors new to SI.		

Recommendations for Implementation

	Recommendation	Action Plan	Timeline
1	Clarify to faculty SI is for *high risk* classes and not *high risk* students.	Will meet with faculty individually and give them a fact sheet which will include this point.	Fall 2011
2			

14 Conduct surveys to find out why students attend or would not attend an SI session.

Other Recommendations

	Recommendation	Action Plan	Timeline
1	Require students to sign up for SI at the beginning of the semester and restrict access right before exams to those students who have been attending the sessions regularly.	Difference in philosophy. SI attendance is voluntary.	NA
2	Conduct surveys to find out why students attend or would attend an SI session.	Purpose of this recommendation is not clear.	NA
